Re: United States v. Gregory Dean  
07 Cr. 647(CLB)

Dear Judge Bricant:

This letter is to request that this Court Order the Pre-Trial Office to turn over the mental health evaluation report of Mr. Dean. This evaluation was conducted as a bail condition. It is my understanding that there are a number of factual inaccuracies in the report that need to be addressed.

Mr. Dean was initially presented on a Complaint charging violations of Title 18 U.S.C. § 2252A(a)(2)(B), and § 2252(a)(5)(B), possession and distribution of child pornography. He was released on bail and has been in full compliance with his bail conditions. On July 17, 2007, Mr. Dean waived Indictment and was arraigned on a One Count Felony Information charging him with possession of child pornography in violation of Title 18 U.S.C. § 2252(a)(5)(B).

On August 8, 2007, this office submitted a letter to the Government requesting leniency. This request is still pending.

Additionally, we would request a bail extension of his home detention for four hours a week so that he can tend to the outdoor maintenance on his home, such as gutter and lawn work. The government does not object to this request.

Sincerely Yours,

Susanne Brody
